A Message from our President:

As President of the Indian Students Association, I would like to thank each and every individual who supported us this semester in our genuine effort of becoming an umbrella organization. I would like to thank my tireless officers who allowed UT ISA to put up 6 successful events and rake in 97 official members this semester. 700+ people attended Penn Masala and this helped us raise \$2500 for Nourish International. Over 100 people attended our socials and our general body meetings, and enjoyed some free food. Over 80 people did service on National Gandhi Day of Service at Zilker Park and over 40 Freshmen attended our Freshmen Jamboree. It was indeed, a great semester.

When it comes to UT ISA's future, Spring 2010 cannot look more exciting. We have the Spring Banquet early spring, followed by ISA's Annual Talent Show and the biggest South Asian Student Event in Texas – Festival of India 2010 along with the brothers of Delta Epsilon Psi, Inc. I look forward to the continued support of our general body and promise a great Spring 2010.

Sincerely, Anish Malpani

QUOTE OF THE MONTH

"She (India) has left indelible imprints on one fourth of the human race in the course of a long succession of centuries. She has the right to reclaim ... her place amongst the great nations summarizing and symbolizing the spirit of humanity. From Persia to the Chinese sea, from the icy regions of Siberia to Islands of Java and Borneo, India has propagated her beliefs, her tales, and her civilization!"
